

The following monthly reports are a detailed listing of current projects applied or issued in the Town of Vail.

Revisions received for an activity will be manually adjusted to reflect the revision valuation and fees received in a month.

Building Permit Report Glossary

Activity - permit number

Туре

A-Build – alteration (these permits are being phased out, see the Combo permit for information) B-Bld – new construction (these permits are being phased out, see the Combo permit for information)

B-Build – new construction (these permits are being phased out, see the Combo permit for information)

Combo – combination permit, single permit that containing all permit work (building, electrical, plumbing, mechanical)

Sub Type

ASFR - Single Family Alteration (remodel)

- NSFR New Single Family
- ADUP Duplex Alteration (remodel, attached single family)
- NDUP New Duplex (attached single family)
- ACOM Commercial Alteration (remodel)

NCOM – New Commercial

Status

Applied - permit submitted and entered in our tracking system

Plan Check – permit is under review

CR Req - correction required, missing information in order to approve

Approved - permit approved by the department, not picked up by contractor

Denied - permit can not be approved, must be resubmitted

Revision – permit has been issued and is in review for changes to project

Issued - permit has been issued to the contractor

Final - permit is closed out, all inspections/conditions have been met

Date_A - date permit applied

Date_B – date permit issued

Totals

A/P/D's Selected – number of permits (aka activities, projects, developments)

Selection Criteria (last page of report)

Keep this page it is helpful to rerun a report as needed with the same or similar criteria.
