| 04/13/2022 | B22-0158 | Single Family | Alteration/Repair | | 142368 | \$5350.72 | \$5350.72 | | MORLEY, REBECCA D. & ANDREW W. | 1458 GREENHILL CT (210312403011) | <p>We are repairing our stone deck to prevent water from leaking into our crawl space and moving our current snow melt system under the stone on the deck (the current snow melt system is attached to the ceiling of our crawl space under the deck). We are not making any cosmetic changes to the deck other than adding a downspout on the southwest corner of our house and 6 feet of new gutter on the southwest corner roof line. We are not making any changes to the existing square footage of the deck, which is 886 square feet. The repaired deck will look identical to the existing deck.</p> <p>We are also resetting approximately 30 square feet of paver bricks in our driveway, re-grouting approximately 90 square feet on our river rock wall on the outside of the southwest corner of our deck, and resetting approximately 80 square feet of stone veneer on our driveway wall. The total project should take approximately 8 weeks to complete.</p> |

We are not making any cosmetic changes to the deck other than adding a downspout on the southwest corner of our house and 6 feet of new gutter on the southwest corner roof line. We are not making any changes to the existing square footage of the deck, which is 886 square feet. The repaired deck will look identical to the existing deck. We are also resetting approximately 30 square feet of paver bricks in our driveway, re-grouting approximately 90 square feet on our river rock wall on the outside of the southwest corner of our deck, and resetting approximately 80 square feet of stone veneer on our driveway wall. The total project should take approximately 8 weeks to complete. |
