## Vail Village and Lionshead Village Construction Information Handout

### Problem Statement

The Vail Village and Lionshead Village are invaluable assets to the community. Thousands of people come to Vail each year to sightsee, shop and to enjoy all the recreational activities the Vail Valley has to offer. The community and merchants rely upon our guests to generate revenue. Our summer/winter guests expect a pleasant experience while in Vail.

To ensure all the proposed construction has as little negative impact on the community and on our guests as possible, the Town of Vail finds it imperative to create and implement the Vail Village and Lionshead Village Construction Information Handout.

It's essential for the Town of Vail, the construction contractors and the merchants to participate and work together to minimize the impact of construction in the Vail and Lionshead Village areas.
