

Road Safety in Vail, Colorado

2023 - 2024 (Qtr 1) Education and Enforcement

Vail Police Traffic Management and Road Safety Measures

Strategy includes chain law inspections, directed patrol, speeding management, variable messages signs, DUI task force and other enforcement campaigns.

Top Traffic Calls	2023	2024 Qtr 1
Traffic Stops	1855	222
Motorist Assists	558	236
Traffic Crashes	474	203
Traffic Complaints	391	88
Impaired Driving	43	14

Traffic calls include officer activity directed towards enforcing traffic laws, reducing irresponsible motorist behavior, and keeping roads safe.

Proactive Patrol	Officer Time Spent in 2023 (hours)
All Vail Roads, except I-70	Directed Patrol Time: 1,194
	Traffic Time: 238
I-70 only	Directed Patrol Time: 3,097
	Traffic Time: 193

Proactive Policing encompasses measures to curb crime, disorder and adverse road incidents. High visibility in areas where speeding is a concern is a top proactive patrol strategy.
