# FAMILY TRIVIA CONTEST

## ACROSS

- 2 Vail's newest Sister Cities relationship is with San Miguel de Allende, which is located in the country of \_\_\_\_, our neighbor to the south.
- 4 Vail was created as a ski resort, and grew into a \_\_\_\_ where people live year-round.
- 7 All of the different athletic and other student teams at Vail Mountain School are known as the Gore \_\_\_\_.
- 8 Vail is surrounded by the \_\_\_\_ River National Forest.
- 9 During the winter, many youngsters participate in the Vail Development Team, also known as \_\_\_\_.
- 11 You can pop an ollie at Vail's newest recreational facility. It's located in an unusual place; at the bottom of the Lionshead parking structure. What is it?
- 13 The Town of Vail flag is comprised of three symbolic colors: blue for the Colorado sky, white for powder snow, and \_\_\_\_ for the pine forests surrounding the Town.
- 16 Vail's most popular public art piece stands near the Covered Bridge. It is the soldier from the 10th \_\_\_\_ Division, dressed in white.
- 17 The decline in population of an important part of the food chain in Gore Creek was cause for concern, so Vail adopted a plan to clean up the water to bring their numbers back. What's the general term for these six-legged critters that can sometimes "bug" you?
- 18 School buses aren't the only buses you see in Town. Vail's bus system is known as one of the country's largest systems that doesn't charge. That's right, you can get a \_\_\_\_ ride!
- 19 It's the largest member of the deer family, and the male can have huge antlers. What four-legged creature can be seen strolling through the villages on the way to its marshy habitat?
- 20 Vail was named for Charles Vail, a state highway \_\_\_\_ who designed roads.

*Having trouble? Bring this puzzle to the 50th Celebration and we will help you fill it out.*

## DOWN

- 1 \_\_\_\_ Street in Vail Village is named for the structure that crosses over Gore Creek.
- 2 Dobson Ice Arena is named after a former Vail \_\_\_\_, who was once the leader of the Town.
- 3 This children's librarian at Vail Public Library shares her name with a noisy insect. Who is she?
- 5 The landmark \_\_\_\_ Tower tells time and is the setting for many photographs taken by Vail visitors.
- 6 Vail's \_\_\_\_ Fountain is a real kid magnet for both residents and visitors.
- 7 \_\_\_\_ Elementary School is named for a colorful mineral that can be found in the area. (2 wds.)
- 10 The annual Butterfly Launch is held at Betty Ford Alpine \_\_\_\_.
- 12 What is the business area in town that was named for a large rock near Minturn that resembles the "thinking end" of the King of the Jungle?
- 14 At the Tech Studio at Vail Public Library, you can design and build your own creations using a 3-D \_\_\_\_.
- 15 Named after an Irishman who visited the valley in the 1850s, \_\_\_\_ Creek is the large stream that runs through Vail.
- 18 The 38th president of the U.S., Gerald R. \_\_\_\_, came to Vail often during the winter and summer while president in the 1970s, making Vail the "Western White House." He really put Vail "on the map."
